DIAMOND RACE

INTRODUCTION

Viersel, April 2013

Dear friends, Waterski fanatics,

The International Viersel Diamond Waterski Race is well known all over the world. One thing is as hard as a Diamond and that is the water of the Albertkanaal: the racers love to compete in Viersel. Competing in the Diamond Race is like competing in the Olympics. Winning that same race is an ultimate goal !. We want you to compete in this race. Make it once again your race!!!

As you know, we do our best to organise this “Jewel” on the water. And a jewel you can win. The Diamond Award 2013 will be given to the winner of Formula Men’s Racing. The other “best three” will be rewarded with a special hanger as usual.

You know what to expect from the Organisation of the Diamond Race, so do not hesitate and book your best racing weekend of the year ! As this is the 28th edition of our Race, we plan to make another special edition. So, be there and follow the footsteps of last year’s winner F1 Wayne Mawer (AUS).

In this map you will find the necessary information for competing in this race, if you need Any more info, please do not hesitate and contact the Secretary General’s office:

This 28th Diamond Race will give you all the Racing excitement you are looking for. As all of you know, the Diamond Race is a very special race and one of the most famous in the world. Everybody stands a chance to win ... but in the end only the “best” will receive the Diamond Award. So be prepared for a trip through hell and back!

We hope that all races will be hard and exciting. As usual this will result in a fair and sportive outcome. Not every team can leave with the special “Diamond Trophy” but we are convinced that every participant will look upon his or her achievement with content after the races will be over. Participating is as rewarding as winning !!

We expect you all at the Viersel Diamond Race 2013 on June 29 and 30 of this year.

See you soon !!
Sportive regards,

The organising committee

CAMPING RULES

As usual, the Camping site at Viersel will be at your disposal. We count on a 60m²/car+caravan and 50m²/camper.

The total space of the Camping area will be limited!

However due to the restricted space, we urge you adhere to following regulations :

All vehicles must be parked in a perpendicular position to the canal and within the camping site boundaries. This for two reasons :

- In so doing, the campers take less space.
- It is safer because you can easily drive out of the camping space in case of fire or other emergency.
- Extra passenger cars on the camping site are prohibited. (1 car/caravan).
- Boats on the camping site are prohibited. A special boat paddock is at your disposal. This will be guarded on the night from Saturday to Sunday and the one from Sunday to Monday.
- All persons present on the Camping Area will live according these rules and the announcements made by the Organising Committee.

All vehicles parked in the wrong way or outside the car-parking will be towed away at owner's expense!

Furthermore we kindly request you to dispose all your garbage in the foreseen bins and refrain from littering.
Construction Works Albertkanaal

As most of you will certainly have heard by now, there are large construction works going on at the Albertkanaal in Viersel.

The Albertkanaal will be made wider and a new bridge will be built.

Viersel Waterski Club will use this opportunity to make some structural changes to our facilities.

A new clubhouse will be built and the club crane is already moved towards the slipway.
We hope to finish these works to be ready for the 2014 season!

So the left hand side of our facility cannot be used as long as the works are being carried out.
The former camping place is not available this year

All this means that we have to move the Diamond Race further down towards the "Sas van Viersel". On the right hand side coming from the Watersportlaan.

A drawing will be given on arrival showing the facilities carried out towards this new lay out of the Diamond Race 2013.

We apologize for any inconvenience that you may encounter, but be assured we will do our utmost to facilitate all and make the Diamond Race again a success !

We wish you a pleasant stay and a weekend full of sun.
